MANAS SHEDGE

Summary

Dynamic US Mortgage Underwriter with proven expertise at Flatworld Solutions, excelling in income calculation and credit analysis. Delivered precise underwriting decisions while enhancing team productivity through effective training. Strong communicator skilled in Calyx Point and Encompass, committed to ensuring compliance and optimizing workflow efficiency in residential mortgage underwriting.

Experience

Flatworld Solutions - Live US Mortgage Underwriter

Pune, Maharashtra
05/2024 - Current

- Reviewed and evaluated borrower profiles against US mortgage underwriting standards and risk assessment criteria, ensuring adherence to investor and regulatory guidelines.
- Analyzed and underwrote complete loan files, including 1003 applications, income documents, bank statements, credit reports, and appraisal/title documents.
- Delivered accurate underwriting decisions—approvals, conditions, suspensions, and denials—in collaboration with officers and cross-functional teams to streamline decision-making process.
- Trained three new underwriters on Encompass, Calyx Point CRM, and PC Lender systems, enhancing team consistency and knowledge transfer.

Awards

Employee of the Half-Year, 06/24
